The choice is yours!

■ **Connery's Choice by Wanzl showcases your best spirits in the best possible way.** The glass display cabinet with a choice of three to five compartments for placement is the ideal eye-catcher for customers who value the special things in life. After all, the message sent by this extraordinary glass display cabinet is clear: those who select something from here, know what they want.

But Connery's Choice has even more to offer. It convinces both as a stand-alone solution and end cap shelving and, like a soloist in an ensemble, it is compatible with all Wanzl wire shelving systems in different sizes.

Meticulously distilled – long-term storage: Connery's Choice is the best choice for displaying a treasure trove of spirits.

← Connery's Choice: decorative placement as a convincing selling point.

↑ Highlighting the exceptional. Whiskey, scotch or vodka: superior quality requires superior positioning.
