

FlexCart

Flexible use

FlexCart trolley

A practical load carrier for construction and garden centres

- › Multiple transport levels for a more convenient shopping experience
- › The platform features a high load capacity for heavy bagged goods
- › Delicate goods are securely accommodated

FLEXCART
with a small item basket

FLEXCART

FLEXCART
with GT40 eco adapter

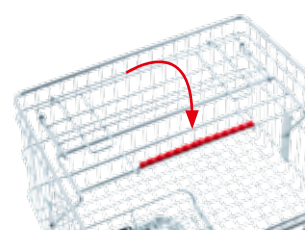

For heavy goods

The **base platform** offers sufficient space and stability for transporting large and heavy goods.

Protected transport

Delicate goods are securely protected on or under the foldable shelf.

A strong team

If space gets tight when shopping with the GT40 eco, it can be easily piggy-backed onto the FlexCart.

Good to handle

The **convenient handle** not only presents a generous advertising space, but it also includes an integrated coin deposit system.

FlexCart trolley

■ **FlexCart is a faithful companion** in builders' merchants and garden centres. Multiple transport levels provide a more convenient shopping experience. Children are in safe hands in the child seat, which is fitted as standard.

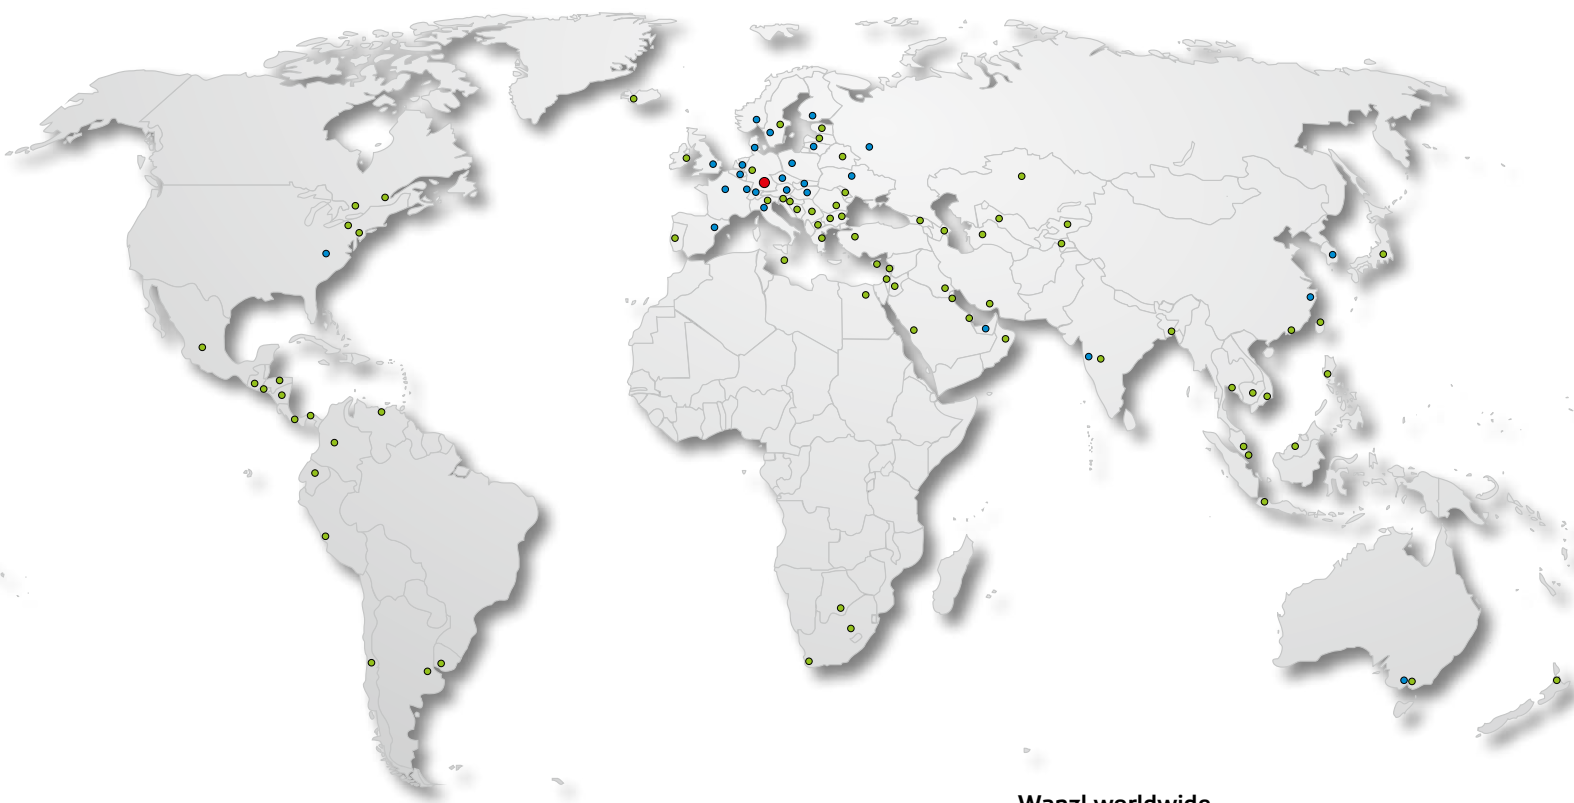

Standard design

Stable flat oval tubing structure, with Promobox Plus L-Grip coin deposit system fitted as standard. Basket with integrated child seat, non-slip wire platform and slot for a GT40 eco roller basket. Optional small item basket in the rear.

Finish: High gloss galvanised and chrome-plated with baked-on plastic paint protection.

Castor wheels: Original Wanzl swivel castors, castor wheel Ø 125 mm, with plastic deflector rings at rear as standard.
