

| GONDOLA HEAD SUPERSTRUCTURE AND SIDE WALL

Striking presentation, better orientation

| GONDOLA HEAD SUPERSTRUCTURE AND SIDE WALL

Striking presentation, better orientation

■ The gondola head superstructures and side walls for Wanzl wire shelves open up all options for a striking, product-oriented display. They attract customers' attention, provide orientation and encourage impulse buys.

↑↑ SIDE WALL

With cross-selling insert encourages impulse buys at the gondola head

↑ GONDOLA HEAD SUPERSTRUCTURE

With product labels attracts customers' attention

→ **OPTIMISED**

The gondola head superstructures and side walls are optimised for use with the wire tech, wire tech 100 and pure tech shelving systems.

↓ **QUICK ORIENTATION**

Side wall with product labels for quick orientation in the store

// Your benefits – at a glance //

- Gondola head superstructures for striking product presentations
- Side walls for product labelling and cross-selling
- Individual design options for any store design
- Compatible with all Wanzl wire shelving systems

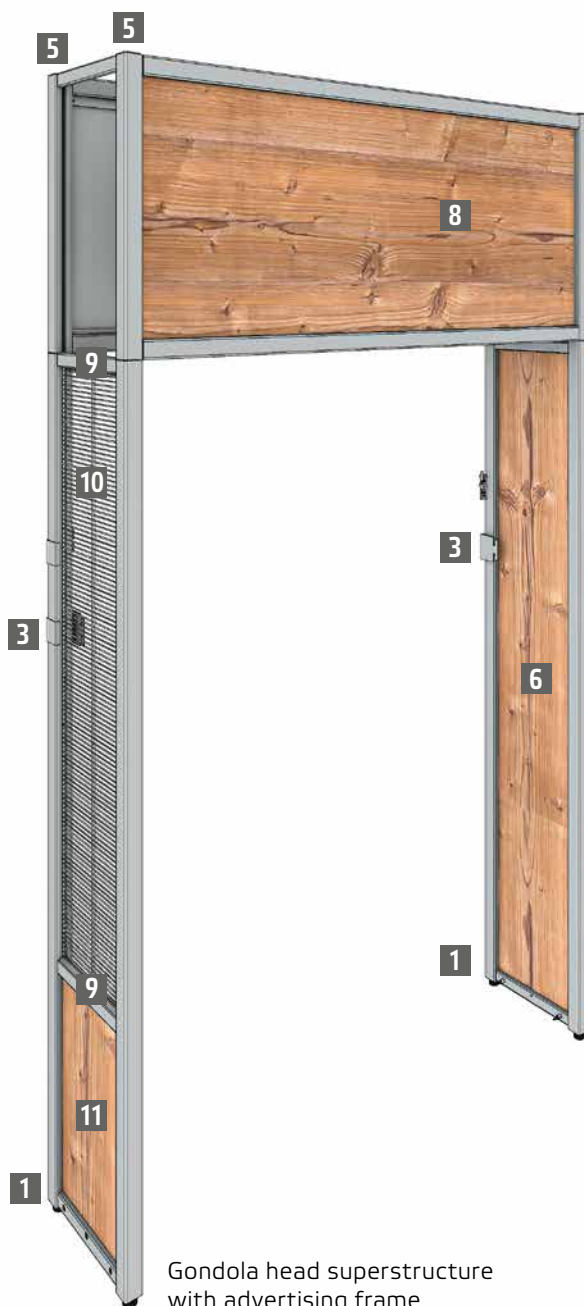

↓ **MATCHING DESIGN**

Side walls and gondola head superstructures can be designed to match the store interior.
