

# Ben's Cart

Less strain for children with disabilities

# Ben's Cart

*Less strain and better service for children with disabilities*

- > Shopping trolley for disabled customers in stores with disabled access
- > Comfortable and robust seat with safety belt, easy to clean
- > Fifth wheel for better manoeuvrability, one castor with a brake

EL 212 BEN'S CART

EL 212 BEN'S CART  
Shopping trolley with seat  
and safety belt

**VERIFIED QUALITY:**  
**"GENERATION-FRIENDLY  
SHOPPING"**  
This customised Wanzl  
shopping trolley is a real bonus  
when applying for this seal of  
approval.

## Design

**Chassis** made of robust flat oval pipe. Narrow meshed basket made of steel wire. Seat surface made of steel wire with padded seat.

## An extraordinary service

**Focus on families:** children with disabilities can join in on a trip to the shops.

# Ben's Cart

■ **Ben's Cart** is a shopping trolley designed for shopping with children with disabilities. The child can take part in the shopping trip and the parents do not need to organise support for this period. This service offered by Wanzl makes it easier for customers to organise their daily shopping needs.

## Function

**Secure Ben's Cart behind the customer's car** using the brake castor. Release the safety belt on the trolley and lift the child into the trolley. Fasten the safety belt. Release the brake on the rear castor and away you go.

Park Ben's Cart

Place the child in the trolley

Fasten the safety belt

## Child safety

**The adjustable safety belt** keeps the child safely on the seat.

## Step

**Two sturdy wire bows** act as "steps" for the child's feet and remove strain from their legs.

## Finish

**Seat** made of soft, UV-resistant padding, easy to wash and very robust.

## Easy to manoeuvre

**With four steering castors** and a **fifth wheel**, the trolley has good steering and can be turned on the spot.

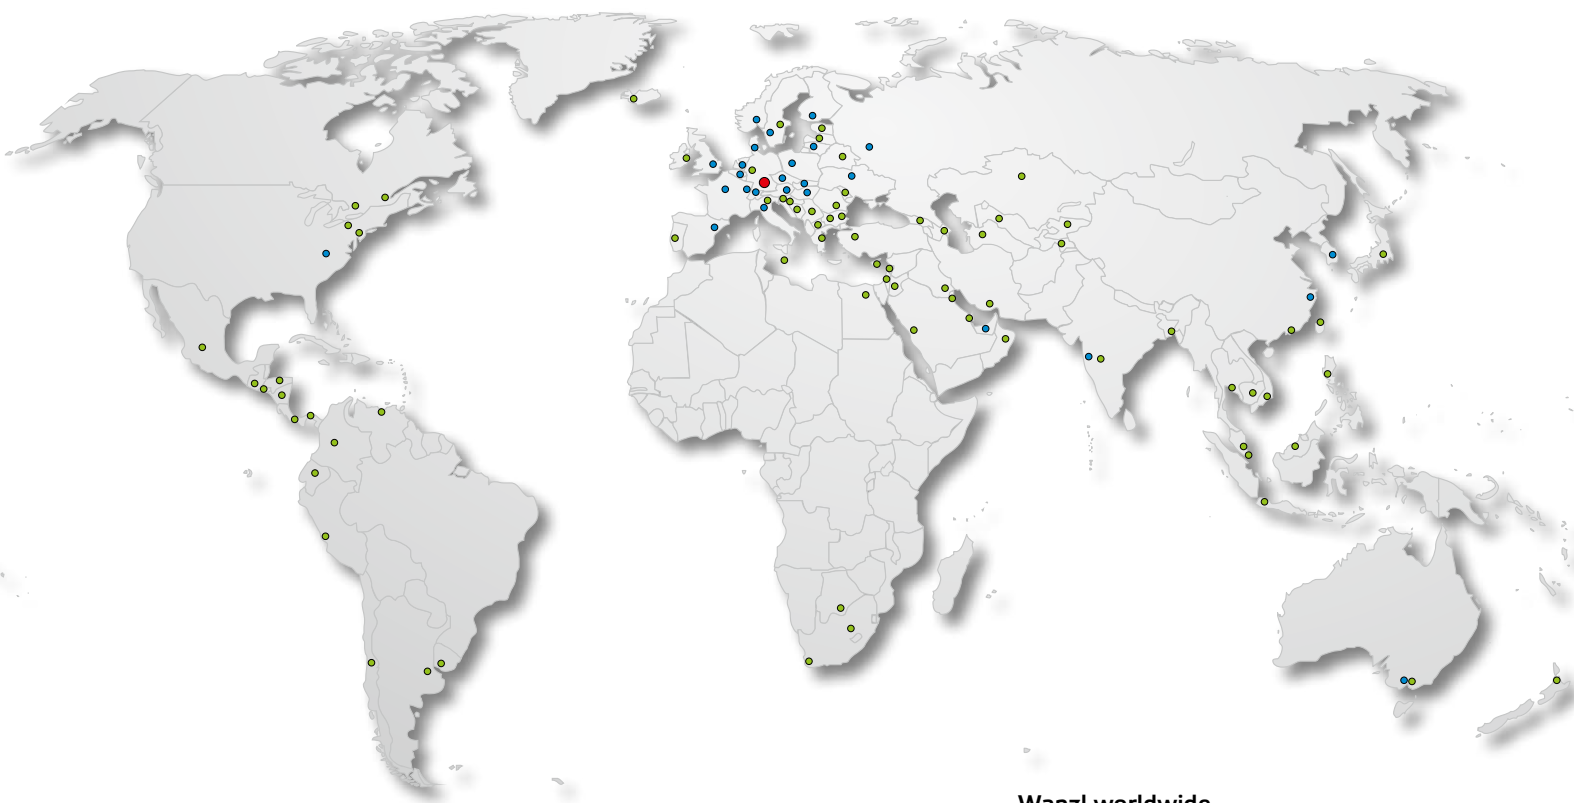

## Standard design

Chassis made of robust flat oval tubing. Narrow-meshed basket made of steel wire. Seat surface made of steel wire with padded seat. Adjustable safety belt.

**Finish:** high-gloss galvanised and chrome-plated with baked-on plastic paint protection.

**Castors:** original Wanzl castors, 125 mm diameter, rubber tread, one castor with brake. Deflector rings to protect the trolley and store fittings. Fifth wheel, diameter 100 mm, rubber tread.
